

BEYOND THE BOOM : WHAT'S NEXT?

WHY GEN Y?

Newcastle has seen a large investment in infrastructure over the past 10 years. With the construction period waning, what opportunities lie waiting for Newcastle? How can we avoid any bust in our economy by making it resilient and flexible?

Transport

Affordability

Generation Y has a large share of the economy . 1 in every 3 dollars is spent by a GenY

A coming exodus of baby boomers from the working world will see many opportunities arise for GenY

Newcastle naturally boasts all the liveability factors that a GenY person is looking for, but do they know?
